DOMINION ORDERS IN COUNCIL.

[498]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 6th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that he has received representations that excessive numbers of whitefish abound in the waters of Waterton Lakes Park, in the Province of Alberta, and that petitions have been received from the residents in the neighbourhood of these waters praying that they be permitted to catch whitefish with nets;

And whereas it is stated that these whitefish cannot be caught with rod and line, that they are not game fish, but are an actual detriment to the continued propagation of game fish through their habit of devouring the spawn of these latter,—

Therefore His Excellency the Governor-General in Council, under the provisions of the "Forest

Reserves and Parks Act," is pleased to amend and doth hereby amend sections 61 and 65 of the Regulations for the control and management of Dominion Parks as approved by Order of His Excellency in Council on the 21st June, 1909, by adding the following subsection to section 61:

"(d.) Notwithstanding anything in these Regulations to the contrary, the Minister may from time to time permit the netting, barter, and sale of any fish, excepting game fish, under such conditions as he deems necessary whenever it is established to the satisfaction of the Minister that the fish in any waters in the Parks are in excess of a reasonable and proper number; or are likely to become injurious to game fish or the propagation of game fish in such waters."

And by adding the following words to subsection (b) of section 65:—

"This proviso, however, shall not apply in those cases where netting of fish is permitted by the Minister."
